### WHAT IS TEDx?

In the spirit of ideas worth spreading, TED has created a programme called TEDx. TEDx is a programme of local self-organised events that bring people together to share a TED-like experience. Our event is called TEDxDoncaster, the x = independently organised TED event. The theme of our first TEDxDoncaster is Beyond Expectation and will be a mixture of TED talk videos and live speakers with some surprises thrown in, all designed to spark deep discussion and new connections for participants. We have been inspired and guided by the TED ethos and we hope you will join us in celebrating another first for Doncaster.

THIS INDEPENDENT TEDx EVENT IS OPERATED UNDER LICENSE FROM TED.
